# Electricity Facts Label (EFL)
## TXU Energy Retail Company LLC
## TXU Energy Ultimate Summer Pass 12SM
## Service Area - AEP Texas North Company
## March 29, 2024

**Electricity Price**

| Average Monthly Use | 500 kWh | 1000 kWh | 2000 kWh |
|---|---|---|---|
| Average Price per kWh | 20.3¢ | 18.8¢ | 18.1¢ |

Your average price per kWh for electric service will depend on your usage and the following pricing components:

| | | |
|---|---|---|
| Base Charge: | Per Month ($) | $9.95 |
| Energy Charge: | Per kWh (¢) | |
| All kWh | | 15.7000¢ |
| TDU Delivery Charges: | Per Month ($)<br>Per kWh (¢) | **<br>** |

**For updated TDU delivery charges go to txu.com/tducharges.

Your average price per kWh each month is determined using the formula below based on your Monthly Billed kWh Usage. TDU Delivery Charges Per Month and TDU Delivery Charges Per kWh will be passed through to you as billed from the Transmission and Distribution Utility ("TDU").

Price per kWh = Base Charge + TDU Delivery Charges per month + (Monthly Billed kWh Usage multiplied by the (Energy Charge + TDU Delivery Charges per kWh)) / Monthly Billed kWh Usage

Summer Pass Savings: You will receive a 50% discount off the Energy Charge during the Summer Pass discount period.

Summer Pass discount period is from June 1st 12:00 a.m. through September 30th 11:59 p.m.

Free Hottest Days: You will receive 100% credit off the Energy Charges for the three highest-temperature days on bills with a current read date in June through September ("Free Hottest Days"). Daily temperature readings are determined by designated local weather stations located throughout Texas. A "day" is defined as a 24-hour period beginning at midnight through 11:59 p.m. If multiple days with equal temperatures fall within the highest-temperature days, those days will be prioritized by highest temperature first, then by usage, for eligibility among the Free Hottest Days.

If there are any days during a meter read cycle with gaps in temperature data and those days are determined to be your highest usage days, up to three of those days will be honored as the Free Hottest Days.

The total kilowatt-hour usage shown on your monthly invoice (Billed Usage) is provided by the TDU. Usage for the Summer Pass discount period is determined from interval data from your advanced meter (Interval Data) and is also provided by the TDU. If the Billed Usage and Interval Data do not match: 1) any missing intervals in the Interval Data will first be determined using market information for your usage profile, then these intervals will be proportionately adjusted so the sum of all intervals equal the Billed Usage provided by the TDU; or 2) if there is no missing interval information, each interval of the Interval Data will be proportionately adjusted so the sum of all intervals equal the Billed Usage provided by the TDU.

Average prices per kWh listed above do not include facility relocation fees or other charges ordered by a municipality. For information, please go to txu.com/municipalfees.

**Other Key Terms and Questions**

Each month you will also be billed all taxes, including sales tax, and reimbursement for the state miscellaneous gross receipts tax as applicable.

See Terms of Service Agreement for a full listing of fees, deposit policy, and other terms.

| | |
|---|---|
| Type of Product | Fixed Rate |
| Contract Term | 12 Months |
| Do I have a termination fee or any fees associated with terminating service? | Yes Early Cancellation Fee: $150.00 |

| | | | |
|---|---|---|---|
| Disclosure Chart | Can my price change during the contract period? | Yes | |
| | If my price can change, how will it change, and by how much? | Your price will not change during the term of this plan except to reflect actual changes in TDU charges; changes to the Electric Reliability Council of Texas or Texas Regional Entity administrative fees; or changes resulting from federal, state or local laws that impose new or modified fees or costs that are beyond our control. | |
| | What other fees may I be charged? | See Pricing and Fees Section of your Terms of Service Agreement for non-recurring fees. | |
| | Is this a pre-pay or pay in advance product? | No | |
| | Does the REP purchase excess distributed renewable generation? | Yes, subject to enrollment on a plan that offers Clean Energy Credits. | |
| | Renewable Content | This product is 7% renewable. | |
| | The statewide average for renewable content is | 31% | |
