| TDU Delivery Charges Per Month and TDU Delivery Charges Per kWh will be passed through to customer as billed from the Transmission and Distribution Utility (TDU).  |   |  |   |   |  |          |                |                       |       |              |       |          |                 |  |         |            |  |          |                       |                |    |  |             |    |
| Average prices per kWh listed above do not include facility relocation fees or other charges ordered by a municipality. For information, please go to <a href="https://txu.com/municipalfees">txu.com/municipalfees</a> .   |   |  |   |   |  |          |                |                       |       |              |       |          |                 |  |         |            |  |          |                       |                |    |  |             |    |
| McAllen and Mission service area customers formerly served by Oncor will not be subject to the following AEP Central TDU Surcharges: Transition Charges 2 & 3, Nuclear Decommissioning Fee, System Restoration Charge and associated Accumulated Deferred Federal Income Taxes (ADFIT)  |   |  |   |   |  |          |                |                       |       |              |       |          |                 |  |         |            |  |          |                       |                |    |  |             |    |
| Other Key Terms and Questions   | A bill credit of \$30 will be applied for each billing cycle in which usage is 1,200 kWh or more.   |  |   |   |  |          |                |                       |       |              |       |          |                 |  |         |            |  |          |                       |                |    |  |             |    |
|   | Each month you will also be billed all taxes, including sales tax, and reimbursement for the state miscellaneous gross receipts tax as applicable.  |  |   |   |  |          |                |                       |       |              |       |          |                 |  |         |            |  |          |                       |                |    |  |             |    |
| Disclosure Chart  | See Terms of Service Agreement for a full listing of fees, deposit policy, and other terms.   |  |   |   |  |          |                |                       |       |              |       |          |                 |  |         |            |  |          |                       |                |    |  |             |    |
|   | Type of Product   |  | Fixed Rate  |   |  |          |                |                       |       |              |       |          |                 |  |         |            |  |          |                       |                |    |  |             |    |
|   | Contract Term   |  | 12 Months   |   |  |          |                |                       |       |              |       |          |                 |  |         |            |  |          |                       |                |    |  |             |    |
|   | Do I have a termination fee or any fees associated with terminating service?  |  | Yes Early Cancellation Fee: \$150.00  |   |  |          |                |                       |       |              |       |          |                 |  |         |            |  |          |                       |                |    |  |             |    |
|   | Can my price change during the contract period?   |  | Yes   |   |  |          |                |                       |       |              |       |          |                 |  |         |            |  |          |                       |                |    |  |             |    |
|   | If my price can change, how will it change, and by how much?  |  | Your price will not change during the term of this plan except to reflect actual changes in TDU charges; changes to the Electric Reliability Council of Texas or Texas Regional Entity administrative fees; or changes resulting from federal, state or local laws that impose new or modified fees or costs that are beyond our control. |   |  |          |                |                       |       |              |       |          |                 |  |         |            |  |          |                       |                |    |  |             |    |
|   | What other fees may I be charged?   |  | See Pricing and Fees Section of your Terms of Service Agreement for non-recurring fees.   |   |  |          |                |                       |       |              |       |          |                 |  |         |            |  |          |                       |                |    |  |             |    |
|   | Is this a pre-pay or pay in advance product?  |  | No  |   |  |          |                |                       |       |              |       |          |                 |  |         |            |  |          |                       |                |    |  |             |    |
|   | Does the REP purchase excess distributed renewable generation?  |  | Yes, subject to enrollment on a plan that offers Clean Energy Credits.  |   |  |          |                |                       |       |              |       |          |                 |  |         |            |  |          |                       |                |    |  |             |    |
|   | Renewable Content   |  | This product is 7% renewable.   |   |  |          |                |                       |       |              |       |          |                 |  |         |            |  |          |                       |                |    |  |             |    |
| The statewide average for renewable content is  |   | 31%  |   |   |  |          |                |                       |       |              |       |          |                 |  |         |            |  |          |                       |                |    |  |             |    |
